Guide to Registering and Renewing Health Profession Corporations

A Certificate of Authorization is required in order for Registrants of the College to practice the profession of homeopathy through a corporation. Some homeopaths may choose to incorporate their practices. If a Registrant wishes to practice homeopathy under their own corporate structure he/she **must** set up a Health Profession Corporation.

If the Registrant chooses to incorporate after seeking out their own legal and financial advice, they will need to apply for a Certificate of Authorization from the College of Homeopaths of Ontario (the College or CHO).

The Certificate of Authorization must be renewed annually. This guide will explain the process for obtaining a Certificate of Authorization and how to renew the Certificate each year in order to maintain the corporation's authorization to practice. If, after reading this guide, a Registrant has questions regarding the process, they may contact the College.

Eligibility for Registering a Health Profession Corporation

When a Registrant chooses to incorporate their practice, there are two separate and distinct steps to follow. The first step is to incorporate the practice with the Ministry of Government and Consumer Services. The second step is to apply for a Certificate of Authorization from the College.

It is important to understand that in order to be eligible to obtain a Certificate of Authorization, the corporation must meet the eligibility requirements of **Ontario Regulation 39/02** and Section 3.2 of the **Business Corporations Act of Ontario**. These requirements include the following:

1. The corporation cannot carry on any business other than the practice of the profession of homeopathy and the activities related to or ancillary to this practice.
2. All issued and outstanding shares of the corporation must be owned by one or more Registrants of the College. Shares may not be held by non-Registrants.
3. The name of the corporation must include the words "Professional Corporation" or "société professionnelle" and shall also include the surname of one or more shareholders of the corporation, as well as indicating that the members will be practicing homeopathy through the corporation. The name may also include given names and/or initials of the shareholders.
4. The name of the corporation must not include any information other than that listed above.

Registrants must be aware that when they incorporate with the Ministry of Government and Consumer Services, the Ministry will require that the documents meet the requirements of corporate law. **It is the Registrant's responsibility to ensure that the documents are also in compliance with health profession regulation.** Therefore, the College encourages all Registrants who are considering incorporation to carefully read *Ontario Regulation 39/02*, made under the *Regulated Health Professions Act, 1991 (RHPA)*. This legislation outlines eligibility specifically directed to health

profession corporations. The College **will not** issue a Certificate of Authorization to a corporation that is not in compliance with the RHPA.

Please note that no homeopathy practice shall hold itself out as a homeopathy professional corporation unless it holds a valid Certificate of Authorization from the College (RHPA, s. 34.1).

Applying for a Certificate of Authorization

After a Registrant has incorporated their practice with the Ministry of Government and Consumer Services and has received a Certificate of Incorporation and a Corporation Profile Report from the Ministry, they can then apply to the College for a Certificate of Authorization. The Application for Certificate of Authorization for a Health Profession Corporation is located on the “Forms” page of the College’s website.

Registrants applying for a Certificate of Authorization are required to submit the following:

1. Application for Certificate of Authorization for a Health Profession Corporation, signed by the director of the corporation;
2. Shareholder Undertaking for a Health Profession Corporation completed by each shareholder including all directors;
3. A copy of the Corporation Profile Report from the Ministry of Government and Consumer Services, that is dated **not more than 30 days before** the application is submitted to the College, and that indicates that the corporation is active;
4. A copy of every Certificate of Incorporation of the corporation that has been endorsed under the *Business Corporations Act of Ontario*, as of the day that the application is submitted;
5. A copy of the Articles of Incorporation of the corporation; and
6. Application fee payment of \$200 + HST.

Please note:

- The Declaration of the Director, Section 5 of the Application for Certificate of Authorization for a Health Profession Corporation, must be signed **no more than fifteen (15) days before** the application is submitted to the College; and,
- A copy of the Corporation Profile Report issued by the Ministry of Government Services, indicating that the corporation is active, must be sent to the College **not more than thirty (30) days before** submission of the application form.

Every shareholder of the corporation, including all directors and officers, must each sign a copy of the Shareholder Undertaking for a Professional Corporation. You must print or photocopy one undertaking to be signed by each shareholder including all directors and submit the form(s) to the College by mail, courier or hand-delivery.

In addition, a copy of every Certificate of Incorporation that has been issued under the *Business Corporations Act of Ontario* for the corporation must accompany the application form.

A checklist of required documents is included on the Application for Certificate of Authorization for a Professional Corporation.

When the College has received the Application for Certificate of Authorization for a Health Profession Corporation including all supporting documents, the director will be notified. If the application is incomplete, the director of the corporation will be sent a notice regarding the missing information. Please note that the application fee for a Certificate of Authorization is a non-refundable payment.

If the application and documents are complete and meet the requirements of the College, the director will be notified of the provisional approval and advised to submit the issuance fee payment of \$900 + HST for the Certificate of Authorization. When the College has received the payment from the director, the College will issue the Certificate of Authorization to the director.

The following information is intended to assist Registrants in completing the application form.

SECTION 1: HEALTH PROFESSION CORPORATION INFORMATION

Section 1.a) Health Profession Corporation Name & Number

Enter the information exactly as it appears on the Corporation Profile Report issued by the Ministry of Government and Consumer Services.

Please note that the corporation cannot have a number as a name. The corporation name must include the legal last name of at least one shareholder (it may include the legal last name of more than one shareholder) and must include the words: "Homeopathy Professional Corporation." It may also include the legal first name of a shareholder, the initials of one or more shareholders, or a combination of names and initials. The corporation name must **not** include any information other than what is permitted or required under the *Business Corporations Act* or *Ont. Reg 39/02*.

Please note that shareholders are required to report any changes to the name of the corporation to the College **within fifteen (15) days**. The College may issue a revised Certificate of Authorization if the corporation changes its name after the original Certificate of Authorization has been issued.

Section 1.b) Practice Name of the Health Profession Corporation

Professional corporations are not required to use the corporate name as the name of the practice. However, any material (letterhead, invoices, etc.) that includes the practice name should also have the corporation name on it if the two are different. Owners of professional corporations must inform the College of every practice name under which the professional corporation practices. If the practice name is the same as the health profession corporation name, please indicate so by entering the same name in this section.

Section 1.c) Contact Information for the Principle Place of Practice of the Health Profession Corporation

Please enter only the principle address of the health profession corporation. This address will appear on the Public Register. Renewing the Certificate of Authorization

The Certificate of Authorization for a Professional Corporation expires one year from the date of issue. In order for Registrants to continue to practice the profession of homeopathy through a corporation, they must renew the Certificate of Authorization annually by completing the Renewal Form, submitting all required documents, and paying the Renewal Fee of \$900 + HST. **It is the responsibility of the Registrant to ensure that the Certificate of Authorization is renewed before the expiry date each year.**

The College will send a reminder to the corporation about six weeks in advance of the renewal deadline, but the College assumes no responsibility for initiating the application for renewal.

College of Homeopaths of Ontario

163 Queen Street East, 2nd Floor, Toronto, Ontario, M5A 1S1

TEL 647-749-9366 www.collegeofhomeopaths.com

Supporting documents for the Renewal Form include the following:

1. A copy of every Certificate of Incorporation that has been endorsed under the *Business Corporations Act of Ontario* since the corporation's most recent application for or renewal of the Certificate of Authorization;
2. A copy of the Corporation Profile Report from the Ministry of Government and Consumer Services, that is dated **not more than 30 days before** the application is submitted to the College, and that indicates that the corporation is active;
3. Shareholder Undertaking for a Health Profession Corporation for every new shareholder of the corporation who has not already submitted an undertaking;
4. A copy of the Articles of Incorporation of the corporation (*only if the Articles have been revised or altered after they were originally submitted with the application form for a Certificate of Authorization*); and
5. Renewal Fee for a Certificate of Authorization of \$900 + HST.

If a corporation does not apply for or fails to comply with one or more of the requirements for renewal, the College will issue a notice proposing to revoke the corporation's Certificate of Authorization. Revocation will occur **sixty (60) days** from the date of the notice, if grounds for revocation still exist. Upon revocation, the corporation ceases to be a professional corporation and its authority to practise the profession under a corporation structure ceases. The College shall notify the corporation if the Certificate of Authorization is revoked.

In order to renew a Certificate of Authorization, the director of the corporation must download and print the Renewal Form for Certificate of Authorization for a Health Profession Corporation, located on the "Forms" page of the College's website. A checklist of required documents is included on the Renewal Form.

Please note that the Declaration of the Director, Section 5 of the Renewal Form, must be signed **no more than fifteen (15) days** before the Renewal Form is submitted to the College. A copy of the Corporation Profile Report, issued by the Ministry of Government and Consumer Services, must be sent to the College **not more than thirty (30) days** before submission of the Renewal Form.

Every new shareholder of the corporation, including directors and officers, must each sign a copy of the Shareholder Undertaking for a Health Profession Corporation. Keep in mind that shareholders are required to report any future shareholder to the College **within ten (10) days**, therefore submitting the undertaking with the Renewal Form would apply to those future shareholders whose position as shareholder will take effect **within ten (10) days** of the director submitting the Renewal Form. You must print or photocopy one undertaking to be completed by each new shareholder.

When the College has received the Renewal Form for Certificate of Authorization for a Health Profession Corporation and the documents listed above, the director will be notified. If the Renewal Form is incomplete, the director of the corporation will be sent a notice regarding the missing information.

If the Renewal Form and documents are complete, the payment will be processed and the director will be notified that the Certificate of Authorization has been renewed for the registration year.

Annual Renewals

A Certificate of Authorization must be renewed annually on or before the anniversary of the certificate's date of issue. The College shall notify the director(s) of the homeopathy professional corporation requesting submission of the Renewal Form in advance of the renewal deadline. **The College assumes no responsibility for initiating application for renewal.** The College will provide the homeopathy professional corporation with at least thirty (30) days to respond.

If a corporation fails to comply with one or more of the requirements for renewal, the College will issue a notice proposing to revoke the corporation's Certificate of Authorization. Revocation will occur sixty (60) days from the date of the notice, if grounds for revocation still exist. Upon revocation, the corporation will cease to be a homeopathy professional corporation.

The Registrar may revoke a Certificate of Authorization if the corporation fails to notify the College of any changes made to the corporation within fifteen (15) days following the change.

The corporation must advise the College of the following changes:

1. **Add/Remove Shareholder:** May prompt the Registrar to review the Certificate of Authorization.
2. **Name Change:** A homeopathy professional corporation must apply for a Revised Certificate of Authorization to ensure that the corporation continues to be eligible to hold a Certificate of Authorization. The Registrar may issue a Revised Certificate of Authorization to a homeopathy professional corporation if the corporation changes its name after a Certificate of Authorization has been issued, provided the Registrar is satisfied the corporation has applied for a Revised Certificate of Authorization by completing an application in the form approved by the College, along with the relevant documentation and fee.
3. **Amalgamation:** Upon amalgamation with another corporation, a homeopathy professional corporation ceases to exist as an entity separate from the newly amalgamated corporation, and its Certificate of Authorization is revoked, as it is no longer valid.

In the event of revocation, the amalgamated corporation must apply for and obtain a new Certificate of Authorization before it may practise as a homeopathy professional corporation. The amalgamated corporation must meet all of the eligibility conditions and requirements for issuance of a Certificate of Authorization.

The College is unable to provide any legal or accounting advice with regard to incorporation. The College recommends Registrants to consult a lawyer and/or an accountant.
